Using LexisNexis Academic to Search International News

Open LexisNexis via the library’s direct link: http://libguides.gc.cuny.edu/LexisNexis

1. Above the search bar, click on the box labeled, “Search by Subject or Topic”

2. From the dropdown menu, select “All News”
3. Notice the text above the search bar now says “All News Search” – find the Advanced Options menu under the main search bar.

4. Click on the “Advanced Options” dropdown to reveal new advanced search options that are specific to a news search.
5. Under “Geographic Location” select “World Region” from the dropdown to see a new list of locations.
